CONTENTS

In compliance with the Companies Law, 5759-1999 of the State of Israel and the regulations promulgated thereunder (the “**Companies Law**”), Formula Systems (1985) Ltd. (“**Formula**”) hereby notifies its shareholders that it will hold its 2014 annual general meeting of shareholders (the “**Meeting**”) at Formula’s offices, located at 5 HaPlada Street, Or-Yehuda, Israel, on Monday, November 24, 2014 at 10:00 a.m., Israel time. The record date for the determination of the holders of Formula’s ordinary shares, nominal value NIS 1.00 per share (“**Ordinary Shares**”), entitled to this notice of the Meeting and to vote at the Meeting is Monday, October 27, 2014.

At the Meeting, Formula’s shareholders will be asked to vote on the following:

1. The re-election of each of Messrs. Marek Panek and Rafal Kozlowski, and Ms. Dafna Cohen, to Formula’s Board of Directors, for a term expiring at Formula’s next annual general meeting of shareholders.
2. The ratification and approval of the re-appointment of Kost Forer Gabbay & Kasierer, registered public accounting firm, a member firm of Ernst & Young Global, as Formula’s independent registered public accounting firm for the year ending December 31, 2014 and until Formula’s next annual general meeting of shareholders, and the authorization of Formula’s Board of Directors and/or its Audit Committee to fix the annual compensation of such accounting firm.

In addition, members of Formula’s management will be available to review and discuss Formula’s auditor’s report and consolidated financial statements for the year ended December 31, 2013.

The Board of Directors of Formula recommends that Formula’s shareholders approve each of the above proposals.

The presence in person or by proxy of two or more shareholders possessing at least twenty-five percent (25%) of Formula’s voting power will constitute a quorum at the Meeting. In the absence of a quorum within 30 minutes of the scheduled time for the Meeting, the Meeting will be adjourned for one week and will be held on December 1, 2014 at the same time and place, unless otherwise determined by the Chairman of the Meeting with the consent of the holders of a majority of the voting power represented at the Meeting in person or by proxy and voting on the adjournment. At such adjourned meeting, if a quorum is again not present within 30 minutes of the scheduled time for the Meeting, the presence of at least two shareholders in person or by proxy (regardless of the voting power possessed by their shares) will constitute a quorum. Approval of each of the above proposals requires the affirmative vote of a majority of the Ordinary Shares present (in person or by proxy) and voting (not including abstentions) at the Meeting (or at any adjournment thereof).

In accordance with the regulations under the Companies Law, Formula is publishing a Hebrew language version of the notice of the Meeting in Israeli newspapers on October 21, 2014. On or about October 21, 2014, Formula will also make available to its shareholders (and the holders of its American Depositary Receipts that represent Ordinary Shares) a proxy statement describing the above proposals, the procedure for voting in person or by proxy at the Meeting and various other details related to the Meeting. The proxy statement with respect to the Meeting is attached hereto as Exhibit 99.2. The proxy card whereby holders of Ordinary Shares may vote at the Meeting without attending in person is attached hereto as Exhibit 99.3.

The following proposals are on the agenda for the Meeting:

1. Re-election to our Board of Directors of Messrs. Marek Panek and Rafal Kozlowski, and Ms. Dafna Cohen, each for a term expiring at our next annual general meeting of shareholders; and
2. Approval of the re-appointment of Kost Forer Gabbay & Kasierer, registered public accounting firm, a member firm of Ernst & Young Global, as our independent registered public accounting firm for the year ending December 31, 2014 and until our next annual general meeting of shareholders, and authorization of our Board of Directors and/or its Audit Committee to fix such accounting firm's annual compensation.

Board Recommendation

Our Board of Directors unanimously recommends that you vote "FOR" each of Proposals 1 and 2.

Quorum

On October 1, 2014, we had 14,718,782 ordinary shares issued and outstanding, of which 308,933 were represented by ADSs. The foregoing number of issued and outstanding ordinary shares excludes 568,620 ordinary shares that we repurchased (24,780 in 2002 and 543,840 in 2011), as under applicable Israeli law, shares that are held by the Company have no voting rights. Each ordinary share (including an ordinary share represented by an ADS) outstanding as of the close of business on the record date, October 27, 2014, is entitled to one vote upon each of the matters to be presented at the Meeting. Under our Articles of Association, the Meeting will be properly convened if at least two shareholders attend the Meeting in person or sign and return proxies, provided that they hold shares representing at least twenty-five percent (25%) of our voting power. If such quorum is not present within one hour from the time scheduled for the Meeting, the Meeting will be adjourned for one week (to the same day, time and place), or to a day, time and place proposed by the Chairman with the consent of the holders of a majority of the voting power represented at the Meeting in person or by proxy and voting on the adjournment. If 25% of our voting power is not present within one-half hour of the time designated for the adjourned meeting, any two shareholders attending in person or by proxy will constitute a quorum, regardless of the number of shares they hold or represent.

Vote Required for Approval of Each Proposal

Minimally, the affirmative vote of the holders of a majority of the voting power represented at the Meeting in person or by proxy and voting thereon (which excludes abstentions) is necessary for the approval of each proposal.

If you provide specific instructions (mark boxes) with regard to certain proposals, your shares will be voted as you instruct. If you sign and return your proxy card or voting instruction form without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board. The proxy holders will vote in their discretion on any other matters that properly come before the Meeting.

If you are a shareholder of record and do not return your proxy card, your shares will not be voted. If you hold shares (or ADSs representing shares) beneficially in street name, your shares will also not be voted at the Meeting if you do not return your proxy card or voting instruction card to instruct your broker or the depositary how to vote. This will be true even for a routine matter, such as Proposal 2 (the approval of the re-appointment of our independent registered public accounting firm and the authorization of the Board of Directors and/or its Audit Committee to fix their annual compensation), as your broker and the depositary will not be permitted to vote your shares in their discretion on any proposal at the Meeting. For all proposals, a broker (and the depositary) may only vote in accordance with instructions from a beneficial owner of shares or ADSs.

Where a beneficial owner has not provided voting instructions with respect to particular proposal(s) only, and a broker may not, therefore, instruct the depositary to cast a vote with respect to those proposal(s) (commonly referred to as “broker non-votes”), the shares held by the beneficial owner will be included in determining the presence of a quorum at the Meeting, but are not considered “present” for the purposes of voting on the proposals for which instructions were not provided. Such shares have no impact on the outcome of the voting on any proposal for which instructions were not provided.

How You Can Vote

You can vote your ordinary shares by attending the Meeting. If you do not plan to attend the Meeting, the method of voting will differ for shares held as a record holder, shares held in “street name” (through a Tel Aviv Stock Exchange, or TASE, member) and shares underlying ADSs that you hold. Record holders of shares will receive proxy cards. Holders of shares in “street name” through a TASE member will also vote via a proxy card, but through a different procedure (as described below). Holders of ADSs (whether registered in their name or in “street name”) will receive either proxy cards or voting instruction cards in order to instruct their banks, brokers or other nominees on how to vote.

Shareholders of Record

If you are a shareholder of record, you can submit your vote by completing, signing and submitting (in the enclosed envelope) a proxy card, which has or will be sent to you and which will be accessible at the “Investor Relations” portion of the Company’s website, as described below under “Availability of Proxy Materials”.

Please follow the instructions on the proxy card. You may change your mind and cancel your proxy card by sending us written notice, by signing and returning a proxy card with a later date, or by voting in person or by proxy at the Meeting. Except if the Chairman of the Meeting determines otherwise, we will not be able to count a proxy card unless we receive it at our principal executive offices at the above address, or our registrar and transfer agent receives it in the enclosed envelope, not less than forty-eight (48) hours prior to the time fixed for the Meeting (which is scheduled to begin at 10:00 a.m. (Israel time) on November 24, 2014).

Shareholders Holding in “Street Name,” Through the TASE

If you hold ordinary shares in “street name,” that is, through a bank, broker or other nominee that is admitted as a member of the TASE, your shares will only be voted if you provide instructions to the bank, broker or other nominee as to how to vote, or if you attend the Meeting in person.

If voting by mail, you must sign and date a proxy card in the form filed by us on MAGNA on October 21, 2014 and attach to it a proof of ownership certificate (“*ishur baalut*”) from the TASE Clearing House member through which the shares are held indicating that you were the beneficial owner of the shares on the record date, and return the proxy card, along with the proof of ownership certificate, to us, as described in the instructions available on MAGNA.

If you choose to attend the Meeting (where ballots will be provided), you must bring the proof of ownership certificate from the TASE’s Clearing House member through which the shares are held, indicating that you were the beneficial owner of the shares on the record date.

If you hold your shares in “street name” through a TASE member, you must contact the broker to change or revoke your voting instructions.

Holders of ADSs

Under the terms of the Deposit Agreement by and among our Company, The Bank of New York Mellon, as depositary, or the Depositary, and the holders of our ADSs, the Depositary shall endeavor (insofar as is practicable and in accordance with applicable law and the Articles of Association of our Company) to vote or cause to be voted the number of shares represented by ADSs in accordance with the instructions provided by the holders of ADSs to the Depositary. For ADSs that are held in “street name”, through a bank, broker or other nominee, the voting process will be based on the underlying beneficial holder of the ADSs directing the bank, broker or other nominee to arrange for the Depositary to vote the ordinary shares represented by the ADSs in accordance with the beneficial holder’s voting instructions. If no instructions are received by the Depositary from any holder of ADSs (whether held directly by a beneficial holder or in “street name”) with respect to any of the shares represented by the ADSs on or before the date established by the Depositary for such purpose, the Depositary shall vote the shares represented by such ADSs in accordance with the recommendation of the Board of Directors of our Company as advised by our Company in writing, except that the Depositary shall not vote the shares represented by ADSs with respect to any matter as to which we inform the Depositary (we have agreed to provide that information as promptly as practicable in writing, if applicable) that (x) we do not wish the Depositary to vote, or (y) the matter materially and adversely affects the rights of holders of our ordinary shares.

Multiple Record Shareholders or Accounts

You may receive more than one set of voting materials, including multiple copies of this document and multiple voting instruction forms. For example, shareholders who hold ADSs in more than one brokerage account will receive a separate voting instruction form for each brokerage account in which ADSs are held. Shareholders of record whose shares are registered in more than one name should complete, sign, date and return one proxy card for each name in which shares are held.

Who Can Vote

You are entitled to notice of the Meeting and to vote at the Meeting if you are a shareholder of record at the close of business on Monday, October 27, 2014. You are also entitled to notice of the Meeting and to vote at the Meeting if you held ordinary shares through a bank, broker or other nominee that is one of our shareholders of record at the close of business on October 27, 2014, or which appear in the participant listing of a securities depository on that date. If you hold ADSs (whether the ADS are registered directly in your name or are held in “street name”) as of that date, you are entitled to receive notice of the Meeting and to direct the Depositary as to how to vote the ordinary shares represented by your ADSs at the Meeting.

Solicitation of Proxies

A form of proxy for use at the Meeting or a voting instruction card for directing the Depositary has been filed publicly or mailed to you (as appropriate). If your shares are held via our Israeli registrar for trading on the TASE, you should deliver or mail (via registered mail) your completed proxy to our offices at 5 Haplada Street, Or Yehuda, Israel, Attention: Chief Financial Officer, together with a proof of ownership (“*ishur baalut*”), as of the Record Date, as defined below, issued by your broker. Shareholders may revoke the authority granted by their execution of proxies at any time before the effective exercise thereof by filing with us a written notice of revocation or duly executed proxy bearing a later date, or by voting in person at the Meeting. Unless otherwise indicated on the form of proxy, shares represented by any proxy in the enclosed form, if the proxy is properly executed and received by the Company at least 48 hours prior to the Meeting, will be voted in favor of all the matters to be presented to the Meeting, as described above. The Chairman of the Meeting may waive the requirement of deposit of the proxy 48 hours before the Meeting.

Proxies are being made available to shareholders on or about October 21, 2014. Certain officers, directors, employees, and agents of the Company, none of whom will receive additional compensation therefor, may solicit proxies by telephone, emails, or other personal contact. We will bear the cost for the solicitation of the proxies, including postage, printing, and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares and ADSs.

Availability of Proxy Materials

Copies of the proxy card, the notice of the Meeting and this Proxy Statement are available at the “Investor Relations” portion of our Company website, www.formulasystems.com. The contents of that website are not a part of this Proxy Statement.

Clal Insurance Enterprises Holdings Ltd.(5)	1,087,074(5)	7.4%
All directors and executive officers as a group (6 persons)	0(6)	*

* Less than 1%

- (1) Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission, or the SEC, and generally includes voting or investment power with respect to securities. Ordinary shares relating to options currently exercisable or exercisable within 60 days of the date of this table are deemed outstanding for computing the percentage of the person holding such securities but are not deemed outstanding for computing the percentage of any other person. Except as indicated by footnote, and subject to community property laws where applicable, the persons named in the table above have sole voting and investment power with respect to all shares shown as beneficially owned by them.
- (2) The percentages shown are based on 14,718,782 ordinary shares issued and outstanding as of October 1, 2014.
- (3) Based on the Schedule 13D filed by Asseco Poland S.A., or Asseco, with the SEC on December 6, 2010. Due to the public ownership of its shares, Asseco is not controlled by any other corporation or any one individual or group of shareholders.
- (4) Menora Mivtachim Holdings Ltd., or Menora Holdings, is a holding company publicly-traded on the TASE. Based on publicly available information, 61.86% of Menora Holdings' outstanding shares are held indirectly by Menachem Gurevitch, 2.72% are held indirectly by Ari Kalman, the chief executive officer of Menora Holdings, and the remaining shares are publicly held. Of the 769,838 ordinary shares reported as beneficially owned by Menora Holdings (i) 760,164 ordinary shares are held for members of the public through, among others, provident funds and/or mutual funds and/or pension funds and/or index-linked securities and/or insurance policies, which are managed by subsidiaries of Menora Holdings, each of which subsidiaries operates under independent management and makes independent voting and investment decisions, and (ii) 9,674 ordinary shares are beneficially held for its own account.
- (5) Clal Insurance Enterprises Holdings Ltd., referred to as Clal Insurance, is publicly traded on the TASE. Based on publicly available information, the controlling shareholder of Clal Insurance is IDB Development Corporation Ltd. (which owns 55% of Clal Insurance), while Bank Hapoalim Ltd. holds a 10% interest in Clal Insurance. Pursuant to Amendment No. 8 to Schedule 13G filed on February 14, 2014, all of the 1,087,074 ordinary shares reported as beneficially owned by Clal Insurance are held for members of the public through, among others, provident funds, mutual funds, pension funds, index-linked securities and insurance policies, which are managed by subsidiaries of Clal Insurance, each of which subsidiaries operates under independent management and makes independent voting and investment decisions.
- (6) In April 2010, Guy Bernstein, the Company's Chief Executive Officer, exercised options to purchase 260,040 ordinary shares previously granted to him, in connection with his service agreement. In accordance with the terms of the grant, all 260,040 ordinary shares are currently deposited with a trustee and Mr. Bernstein is not permitted to vote or dispose of them until the shares are released from the trust, on such terms described in the grant letter. Furthermore, in March 2012, concurrently with the amendment and extension of Mr. Bernstein's service agreement, we approved a grant of options to him, exercisable for 1,122,782 ordinary shares, subject to certain vesting conditions. In June 2013, Guy Bernstein, the Company's Chief Executive Officer, exercised options to purchase 1,122,782 ordinary shares previously granted to him, in connection with his service agreement. In accordance with the terms of that second option grant, the shares issuable upon exercise of the option will be deposited with a trustee and our Chief Executive Officer will not be permitted to vote or dispose of them until the shares are released from the trust, as described in the grant letter. Because of the foregoing limitations on voting and investment power, none of the ordinary shares and options held by Mr. Bernstein are deemed to be beneficially owned by him. Besides Mr. Bernstein, none of our other directors or executive officers beneficially owns any ordinary shares (whether actual ordinary shares or shares issuable upon exercise of options) either.

**PROPOSAL 1:
REELECTION OF THREE DIRECTORS**

Background

Under the Companies Law and our Articles of Association, the management of our business is vested in our Board of Directors. The Board of Directors may exercise all powers and may take all actions that are not specifically granted to our shareholders.

Our Articles of Association provide that we may have no fewer than three and no more than 11 directors, as may be determined from time to time at a general meeting of shareholders. Our Board of Directors currently consists of five directors, including two external directors appointed in accordance with the Companies Law whose terms will expire in April 2016. Our directors, other than the external directors, are elected at each annual general meeting of shareholders. All of the members of our Board of Directors, other than external directors, may be re-elected for an unlimited number of terms upon completion of their then-current term of office. Our Board of Directors may temporarily fill vacancies in the Board until the next annual general meeting of shareholders, provided that the total number of directors will not exceed the maximum number permitted under our Articles of Association.

Of our current three directors (which excludes external directors), all three— Messrs. Marek Panek and Rafal Kozlowski, and Ms. Dafna Cohen — have been nominated for re-election at the Meeting.

Under the Companies Law, the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting on the matter, is required to reelect as directors the nominees named above.

Each of the nominees, whose professional background is provided below, has advised the Company that he or she is willing, able and ready to serve as a director if re-elected. We do not have any understanding or agreement with respect to the future election of any of the nominees named.

It is intended that proxies (other than those directing the proxy holders not to vote for the listed nominees or for certain of them) will be voted for the election of the three (3) nominees named below as directors.

Marek Panek has served as one of our directors since November 2010. Since January 2007, Mr. Panek has served as Vice President of the Management Board and Director of the Sales Coordination Department of Asseco, where he also supervises the Marketing Department, PR & IR Department and the Office of EU projects. Mr. Panek also holds several other positions at Asseco and its affiliates, including Chairman of the Board of Directors of Asseco Denmark (since 2011), Chairman of the Board of Asseco Resovia S.A. (since August 2010), member of the Supervisory Board of Asseco Central Europe, a.s. Office Holder Compensation in 2014

Under Companies Law regulations that were recently adopted, we are required to disclose the compensation of our five most highly compensated senior office holders (as defined in the Companies Law) on an individual basis in the notice of our annual general shareholder meeting or in an accompanying document (such as this Proxy Statement).

The tables below outline the compensation granted to our five most highly compensated senior office holders (which include members of management and directors) during or with respect to the year ended December 31, 2013, in the disclosure format of Regulation 21 of the Israeli Securities Regulations (Periodic and Immediate Reports), 1970. We refer to the five individuals for whom disclosure is provided herein as our "Covered Executives."

For purposes of the table and the summary below, and in accordance with the above mentioned securities regulations, "compensation" includes base salary, bonuses, equity-based compensation, retirement or termination payments, benefits and perquisites such as car, phone and social benefits and any undertaking to provide such compensation.

Compensation of Management ⁽¹⁾

Name and Principal Position ^{(2) (3)}	Base Salary (\$)	Benefits and Perquisites (\$) ⁽⁴⁾	Variable compensation (\$)	Equity-Based Compensation (\$) ⁽⁵⁾
Guy Bernstein – CEO	512,450	-	(6)	(7)

(1) All amounts reported in the table are in terms of cost to the Company, as recorded in the Company's financial statements. We have only one office holder who is a member of management who is compensated by our Company. For disclosure concerning compensation paid by us to our remaining four most highly compensated office holders (all of whom are directors), please see the table under "Compensation of Directors" below.

(2) All current executive officers listed in the table are full-time employees or consultants of the Company. Cash compensation amounts denominated in currencies other than the U.S. dollar were converted into U.S. dollars at the average conversion rate for 2013.

(3) Our Chief Financial Officer, Asaf Berenstin, also serves as the chief financial officer of Magic Software Enterprises Ltd., or Magic, our affiliated company. Pursuant to an agreement between Magic and our Company, Mr. Berenstin allocates 25%-30% of his time to our Company. Because he is not compensated by our Company, Mr. Berenstin is not listed in this table.

(4) Amounts reported in this column include benefits and perquisites, including those mandated by applicable law. Such benefits and perquisites may include, to the extent applicable to the Covered Executive, payments, contributions and/or allocations for savings funds, pension, severance, vacation, car or car allowance, medical insurances and benefits, risk insurances (e.g., life, disability, accident), convalescence pay, payments for social security, tax gross-up payments and other benefits and perquisites consistent with the Company's guidelines.

(5) Amounts reported in this column represent the expense recorded in our financial statements for the year ended December 31, 2013 with respect to equity-based compensation. Assumptions and key variables used in the calculation of such amounts are described in paragraph (y) of Note 2 to our audited consolidated financial statements, which are included in our annual report on Form 20-F for the year ended December 31, 2013, filed with the SEC on April 30, 2014.

- (6) Under his service agreement with us, Mr. Guy Bernstein, our Chief Executive Officer, is entitled to an annual bonus in an amount equal to 3.3% of our net profit (including capital gains) after tax. An advance of 70% of the estimated bonus with respect to each year is paid over the course of the year, divided into quarterly installments, which is estimated based on our quarterly financial statements and is subject to final adjustment at the end of the year.
- (7) In March 2012, concurrently with the amendment and extension of Mr. Bernstein's service agreement as our Chief Executive Officer, our Board of Directors awarded him options exercisable for 1,122,782 ordinary shares of our Company, which took the place of 543,840 redeemable ordinary shares that had been granted to him in March 2011 and had been redeemed by our Company. The exercise price of the options granted in March 2012 was NIS 0.01 per share, and the options were exercised in their entirety in June 2013 by Mr. Bernstein. Our redemption right with respect to the ordinary shares issuable upon exercise of these options lapses in equal quarterly installments over an eight year period that commenced in March 2012 and concludes in December 31, 2019. This March 2012 grant has been accounted for by our Company as a modification to the March 2011 grant to Mr. Bernstein. The total compensation expense that we recorded in our financial statements for the year ended December 31, 2013 in respect of Mr. Bernstein's March 2012 option grant (constituting his equity compensation for all of 2013) was \$1,987,600.
